An Online Plant Selling Store

Department of Electrical and Computer Engineering

North South University

CSE 299: Junior Project Design

Group Member:

1. Abu Bakar Sidque(1811464642)

Member Contribution:

- Abu Bakar Sidque: I've done everything. My group
  members aren't active now.

Obstacles:

I wanted to add payment API but I couldn't add it as I don't
have any previous experience in adding API. I wanted to add
Bkash API but as far as we have searched it requires a certain
amount of money to buy API.

Milestones & Reporting:
